

About us

Motorsport Insurance Services Limited is recognised internationally as a leading provider of insurance products specifically designed for those involved in competitive motorsport.

MIS has secured exclusive facilities to underwrite innovative solutions for the motorsport world. We have a strong team of insurance professionals who have considerable experience in all aspects of motorsport. Clients can trust MIS to understand the specialist risks and recommend the correct solutions.

We understand the time constraints of competitive motorsport and we know our clients expect a fast and professional approach to the settlement of claims. Therefore, we aim to settle claims within 14 days (subject to all documentation being received).

We guarantee to beat any genuine reasonable quotation offered by our competitors. This includes On Track, Motor Trade and Personal Accident Insurance.

We look forward to receiving your enquiry.
